Pevensey Parish offers something for everyone!

Whilst the beach takes centre stage in Pevensey Bay, offering a traditional seaside holiday, there is plenty of family fun to be found close by too.

Walk across the Pevensey Levels – a natural haven for wild birds, flowers and animals and a designated SSSI and RAMSAR wetlands site.

Nearby, the kids will love Pevensey Castle, with its history stretching back centuries to Roman times.

Or perhaps you'd prefer a delicious cream tea in the historic village of Pevensey.

As the sun goes down, enjoy fish & chips on the beach, a romantic dinner for two, or a spicy supper at an Indian restaurant.

Make some magical memories with all the family during your Sussex seaside getaway!
